

BANCABILITY USES BALLOON TO REACH KANSAS CITY MARKET

Around Kansas City in 180 Days

The Spirit of High & Free hot air balloon is 77,000 cubic feet built by Cameron Balloons and fully inflated reaches nearly 75 feet tall.

It can carry a pilot and two passengers. A typical flight is treetop to 3,000 feet.

It is piloted by Chris and Amanda Sabia of Kansas City AeroSports, visit www.kcballon.com

Follow them on Twitter @ TeamBancAbility or on facebook at Team BancAbility

On a calm day in the Greater Kansas City area you might spot it, the BancAbilitySM High & Free Hot Air Balloon! Nicknamed *The Spirit of High & Free*, the balloon flies to celebrate the BancAbilitySM network of banks' bold high interest checking account.

BancAbility is banking made easy through a network of 7 community banks with 48 convenient branches and ATMs across greater Kansas City.

The *Spirit of High & Free* will be flying over and making appearances at events around the city, dispensing fun and goodies at take off and landings.
